<b>Description</b>			
Dear friends,			
Our main job is to make the quality average custom PCB board 9% higher. Here you can get 1-30 layers of FR-4 PCB, including FR4, Aluminum ,Rogers, Taconic series,Arlon series、 Nelco series, Flex ....			
They are widely used in electronic products such as control systems, telecommunications, consumer electronics and power supplies, and robotics.			
At the same time, the products are widely sold to the United States, Europe, Russia and other countries and regions. We sincerely hope to establish long-term good relations of cooperation with you.			
If you are interested, please reply to the email and we will provide company information and samples for certification.			
Best blessing, Andy Yang
