Description			
Dear friends,			
Nice to meet you.			
Our products cover: single-sided / double-sided / multi-layer PCB, high-frequency PCB, heavy copper PCB, aluminum PCB, long (1.2m) FR4 PCB.			
Our PCB quality is very good, the size and thickness follow the standard rules, customers can measure and check, customized according to the thickness and specifications of their products.			
The appearance of the weld is also very beautiful, you can check the sample for certification			
If you are interested, please reply to the email and we will provide you with the most affordable offer.			
If you have further questions, please feel free to contact me.			
Best blessing,			
Andy Yang
